

## THE COMUS PROJECT

The Alumni Association is completing our collection of Comuses, the Zanesville High School yearbook. The collection is housed in the Alumni Center located at the Zanesville City Schools Administrative Center, 956 Moxahala Avenue, Zanesville, Ohio 43701. The collection is already extensive, stretching back to 1896, but there are more copies of issues from 1950 to the present are needed to complete the collection. The only missing Comus year is listed in the chart below. The Alumni Association also is willing to locally pick up donated issues for the collection.

For more information on how to donate, contact Denise Francis-Primel via email at [denise.primel@hotmail.com](mailto:denise.primel@hotmail.com) or phone Denise at 843-303-6333.

ISSUE NEEDED
2005

Please note that as an association, we would like to keep two (2) issues of each Comus year printed. With this being said, we need additional copies of yearbooks in the 1960s through the present.
